**“Newer Endoscopic Treatment
Options for GERD”**

“The latest in treatment options for medical providers”

Presented by: Amit B. Sohagia, MD
Twin Rivers Gastroenterology

Clinical Assistant Professor at Drexel University College of Medicine

Amit B. Sohagia, MD earned his medical degree from B. J. Medical College in Ahmadabad, India. Completed his internship Internal Medicine at New Civil Hospital, Ahmadabad and M.P. Shah Hospital, Jamnagar, India. His residency was done in Internal Medicine at Montefiore Center-North Division. Dr. Sohagia then continued on at Montefiore Medical Center-North Division to complete his fellowship in Gastroenterology and Hepatology. He is skilled and trained in the latest techniques and procedures for the treatment of Acid Reflux Disease.

Please register online @: <http://nc-medsoc.org/content/northampton-county-medical-society-events>

Registration is open until May 8, 2019

Learning Objectives: At the completion of the program, those attending should be able to:

1. Provide detail about minimal invasive endoscopic and surgical treatment options for GERD including TIF, Stretta and LINKS.
2. Discuss medical treatment with PPI, H2 blockers and their side effects.
3. Review GERD prevalence, pathogenesis and its complication.
4. Compare newer minimal invasive treatment option with Nissan fundoplication.
